CONNECTING PULSE TO LEARN@UCO

This app is available for download for both iOS and Android devices. Visit iTunes or the Google Play store and search Brightspace PULSE to download.

Step 1:

Download the Brightspace PULSE app to your mobile device.

Step 2:

Open the app and tap **Pick Your School** to get started.

Step 3:

Search for **University of Central Oklahoma** and select UCO from the result list.

Step 4:

Type your UCO username and password then click **Login.**

Calendar:

You can view your course calendars by **Week** (a) or by **Schedule** (b).

Calendar (cont.):

Add your own evaluation, assignment, reading or to-do to the Calendar. Tap the **+** to get started (c).

Notifications:

Get notifications on your device when items are added to your courses (a). Click on **Notifications** in the app to see the latest News, Content, and Grades from your current classes (b). Courses are color-coded (c).

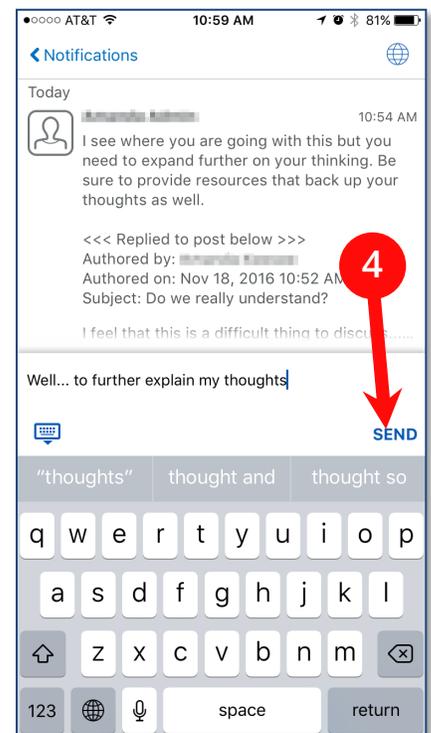

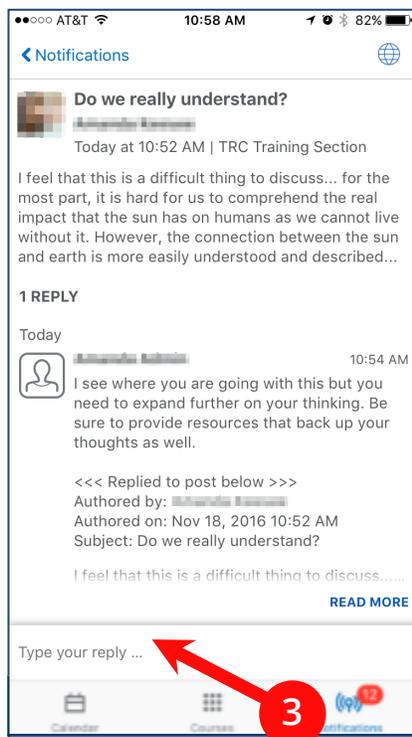

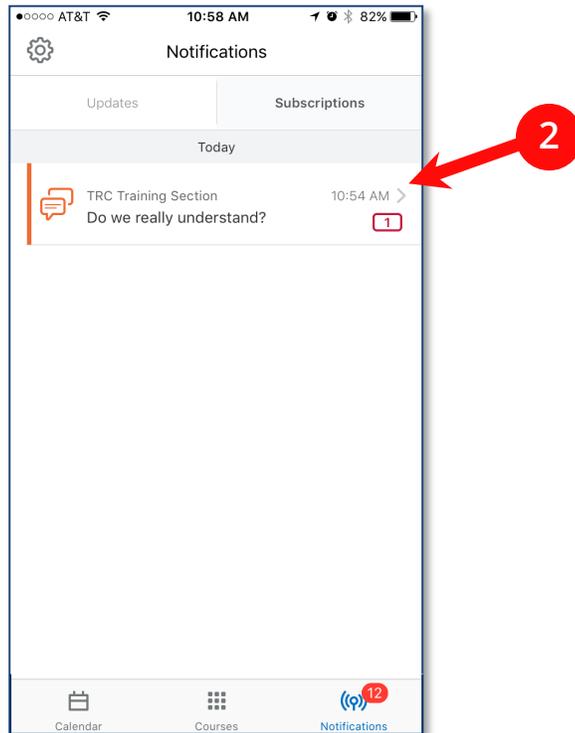

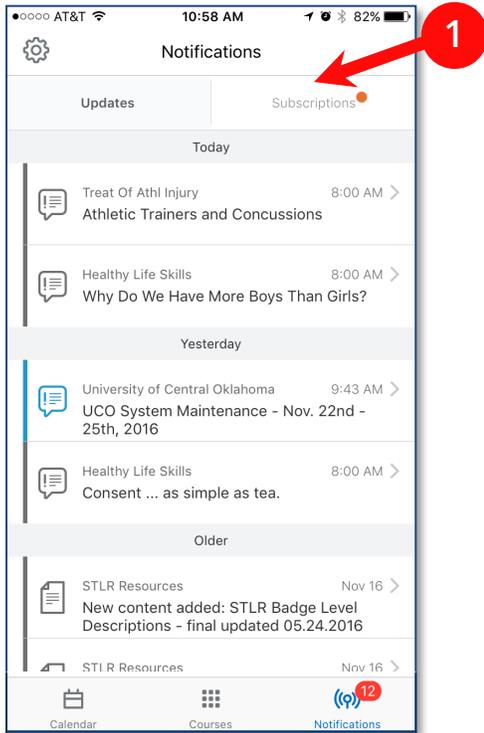

Notifications (cont.):

Click on a notification to see a preview of the course content (a) and tap the **Open in...** option (b) to view the content in Learn@UCO.
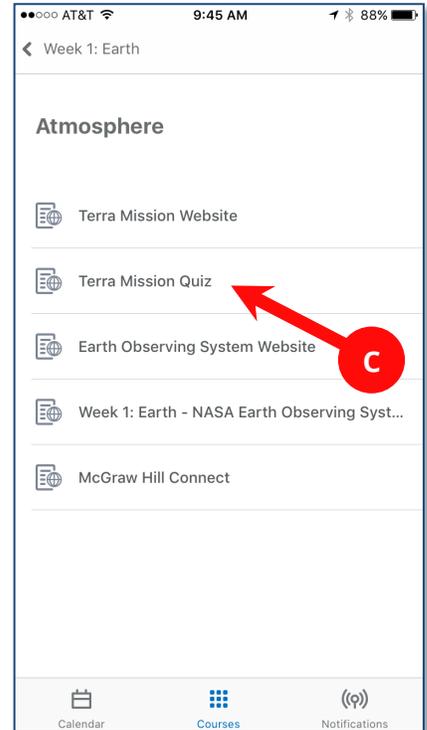

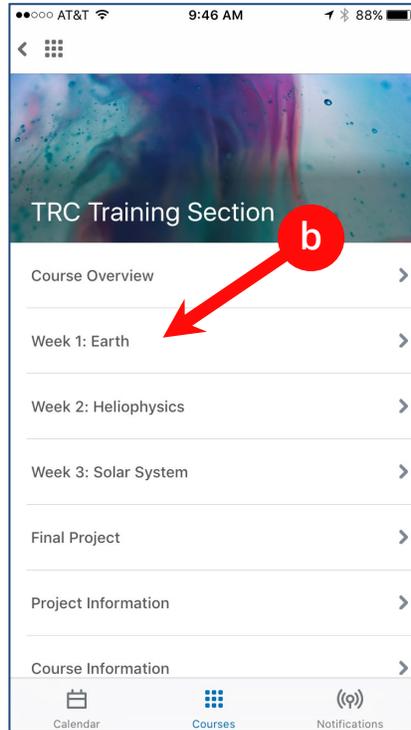

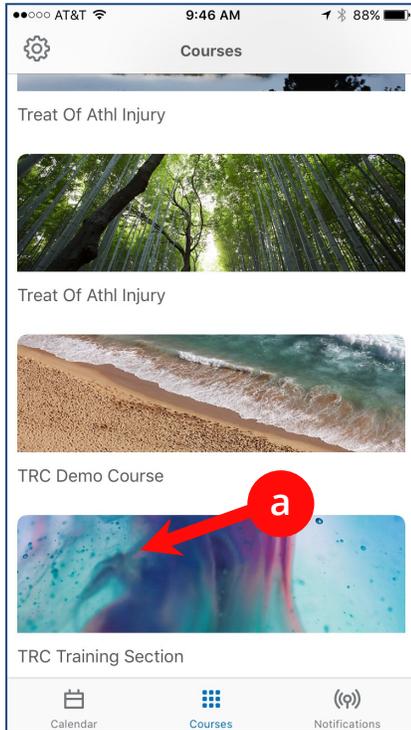

Discussion Subscriptions:

Subscribe to discussion topics in your courses to participate in discussions through the PULSE app. When someone replies to a post you have subscribed to, 1) click on your subscription notification, 2) tap the discussion thread, 3) type your reply and 4) tap send.

Courses:

Access content and participate in your D2L courses from your mobile device. Click on **Courses** in the app to see a list of your current class offerings. (a) Tap on a course to access that section's Content area. (b) Tap on an item to view the content on your mobile device. (c)

Selecting an open quiz/exam allows you to immediately complete the quiz/exam from your mobile device. (a) Tap **Continue** if prompted. (b)
